

How to use the Monthly Submittal Map

The Monthly Submittal Map shows where new zoning and development submittals are located within the City of Frisco. Each new case is shown in its geographic location within one of four City Quadrants (see City Quadrant Map below). The boundaries for the quadrants are Preston Road and Main Street.

Each case on the map is listed under the map key. The case listing includes project names and numbers. A "map identifier" shows where each case is plotted on the map.

To see when a case is going before the Planning & Zoning Commission, or before the City Council, check out the City's "Meetings & Agendas" page at:

<http://sire.friscotexas.gov/sirepub/meetresults.aspx?srchtype=index&year=2009&month=1&startdate=1/1/2009&enddate=12/31/2009>

For more information on a particular project, you can visit our online "Permit Information" page at:

<https://etrakit.friscotexas.gov/index.asp>

On the Permit Information page, under "Search By," check "Project Number." Use the Submittal Map to find the project number of the case you are interested in; enter that project number in the "Search For" box, and click the "Search" Button.

The screenshot shows the "CITY OF FRISCO, TEXAS" header with a "FRISCO" logo. Below the header is a navigation bar with "Home" and "Project Search" tabs. The "Project Search" tab is active. On the right, there is a "Contractor Log-in" button. The main content area is divided into two columns. The left column, titled "Examples", lists three search criteria: "Project Number" (Example: Z01-0011), "Job/Site APN" (Example: R660600000101), and "Job/Site Address" (Example: 8721 5TH ST S). The right column, titled "Search by:", contains two dropdown menus: "Project Number" (selected) and "Begins With". Below these is a "Search for:" text input field containing "PP08-0007" and a "Search" button.

The screenshot shows the "CITY OF FRISCO, TEXAS" header with a "FRISCO" logo. Below the header is a navigation bar with "Home", "Project Search", and "Search Results" tabs. The "Search Results" tab is active. The main content area displays a table with the following structure:

Project	Site Address	Parcel
PP08-0001		

Below the table, it says "1 Records." and there is a horizontal line.

The computer will show you a list of cases similar to the project number you entered. Click on the project you want.

Clicking on the project number brings up a report of current information on that project, including the name of the planner assigned to the case, applicant and developer contact information, and project status.

For further information, or if you need additional help, contact the City of Frisco's Development Services at 972-292-5300.
